SOLID WASTE & RECYCLING INFORMATION

OPEN SUMMER (May 15 to Oct. 15) Wednesdays, Saturdays, & Sundays
10AM to 4PM WINTER (Oct. 16 to May 14) Saturdays Only

HOUSEHOLD WASTE: \$3.50 per bag (up to 33 gallon)

Recycling Procedures: Recycling is free of charge

Plastic, tin cans, glass, newspaper and magazines can be commingled in one container, cardboard in a separate container and aluminum cans are collected in the fenced in area. Proceeds from the aluminum cans goes to the Fire Dept.

PLASTICS:

Rinse bottles clean, remove caps and flatten, no need to remove labels. We only accept #1 and #2 plastic bottles with necks. Plastic #1 - # 7 are now accepted. Plastic bags or automotive product bottles regardless of their recycling # are NOT accepted.

ALUMINUM CANS:

Rinse cans clean, also accepted are clean pie pans, aluminum foil, etc.
Scrap aluminum is accepted but not mixed with the aluminum cans.

TIN CANS:

Remove all labels, rinse cans clean of all food scraps and flatten.

GLASS:

Clear, brown and green glass from food or beverage containers only, remove caps, rinse container clean and remove loose foil. NOT accepted are clay pots, drinking glasses, dishes, light bulbs, headlights, window glass, ovenware or crystal.

NEWSPAPERS AND MAGAZINES:

Newspapers and magazines can be commingled. Placing them in paper bags is preferred.

CARDBOARD and BOXBOARD (cereal boxes):

Must be flattened. (Note that if it goes in the refrigerator, it is NOT accepted).

NOTE: State and Township regulations require that the above materials be recycled. Penalties exist for failure to comply.
